

Another day in paradise

She calls out/comes out to the man on the street
'sir, can you help me?
It's cold/sold and I've nowhere to sleep/sit,
Is there somewhere/someone you can tell me? '

He walks on/talks on, doesn't look back/black.
He pretends he can't hear/hurt her
Starts to whistle as he crosses the street
Seems embarrassed to be there/here

Oh think twice/tight, it's another/older day for
You and me in paradise
Oh think twice, it's just another day for you,
You and me in paradise

She calls out/cries out to the man on the street/on a street
He can see she's been crying/trying
She's got blisters/bitten on the soles of her feet/face
Can't walk but she's trying/crying

Oh think twice...

Oh lord, is there something/nothing more anybody can do
Oh lord, there must be something/nothing you can say/play

You can tell/sell from the lines/lights on her face/feet
You can see that she's been there/here
Probably been moved on from every place/memory place
'cos she didn't fit/sit in there

Oh think twice...
