

Phil Collins

Do You Remember?

We never **talked/walked** about it
But I **hear/fear** the **blame/claim** was **mine/fine**
I'd **call/follow** you up **to say/today** I'm sorry
But I wouldn't want to your

'Cos I love you, but I can't take **any/many** more
There's a look I can't **describe/prescribe** in your
Yes we could **try/cry**, **like we /cried/tried** before
when you **kept/went** on me those lies
Do you remember...?

There seemed no way to **take up/make up**
'Cos it seemed your was set
And the **day/way** you looked it told me
It's a look I know I'll never forget

You could've **call/come over** to my side
You could've let me know
You could've tried to see the difference between us
But it seemed too far for you to go.

Do you remember...?

Through all of my life
In spite of all the **pain/plain**
You know people are **funny/funky** sometimes
'cos they just can't wait
To get hurt again Do you remember...?

There are things we won't recall
Feelings we'll never
It's taken so long to **see it/sing it**
Cos we never seemed to have the time

There was always something more to do
More important **to say/today**
But "I love you" wasn't one of those things
And now it's too late Do you remember...?

Language Skills focus:

Listening and speaking

1. Listen to the song and choose the correct words in bold.
2. fill in the blanks where words are missing.
3. Can you explain the words below from the context of the song
 - **Recall, blame**
4. Explain in a few words what the song is about?
