B= For students

1.	2.	3.	4.	5.
6.	7.	8.	9.	10.
11.	12.	13.	14.	15.
16.	17.	18.	19.	20.

Students take turns guessing which two boxes have a simple past relationship. When a group makes a guess the teacher looks at his sheet and writes out the words into the boxes. The he asks the students if the two words have a match. If there is no match they don't get a point and the teacher wipes the words from the boxes.
